

AMAZON MANAGEMENT CONSOLE FRONT PAGE :

The screenshot displays the AWS Management Console front page in a web browser. The browser's address bar shows the URL `aws.amazon.com/console/`. The page features a dark blue header with the AWS logo and a navigation menu. The main content area has a dark blue background with a geometric pattern and a large orange 'Log back in' button. Below the header, there are five promotional cards for AWS services and training. The right sidebar contains a search bar and a list of application icons. The bottom status bar shows the system clock, weather, and language settings.
